

“We Focus on the Details so You can Focus on the Case.”™

Good Morning, I wanted you to take a moment and be so kind as to let us introduce our services to you. Please keep us in mind the next time you have a complex litigation matter.

We are LCI and we work nationwide. We help clients reduce their litigation costs by hundreds of thousands of dollars.

LCI is a results driven company with a mission to save the client money. We look out for our client's best interests while still keeping the trial team comfortable, secure and in an environment where they can work at top efficiency. As an example of the results of our services,

LCI has recently:

- **Saved a client over \$150,000 in hotel costs vs. doing business as usual with one hotel;**
- **Reduced the cancellation fee at a hotel property from \$150,000 to \$2,000;**
- **Moved a trial team office to a larger, better, and less expensive space saving over \$50,000;**
- **Reduced furniture costs at existing trial sites saving clients \$15,000/month.**

Additionally, our rates are almost always lower than law firms IT and paralegal rates which can provide significant savings to our client's.

LCI uses our national accounts which mean savings for your trial team; we do not markup items like furniture, equipment and rental cars.
